

Mrs. Obiedzenski's Class News

Week of 2/6/17

News This Week

- **Specials Schedule:** We are on a 6 day specials rotation: **NO PE this week**
- ***reminder* Valentines:** We will exchange Valentines on Valentine's Day. This is optional. Students are not required nor expected to pass out a Valentine in order to receive one. However, if your child chooses to participate it is expected that he/she will have one for everyone ☺ I attached our class list on page 2.
- **PTA News:** Our Wake Up and Read Collection is off to a great start. We appreciate your help in getting books into the hands of all Wake County students. Our Family Dance will be March 24. Invites are going home in Monday folders. Please visit heritagepta.net to purchase tickets and for more information. Thank You so much for your continued support.
- **Publix Math Night:** Fun filled family math night (activities for students, food samples, and door prizes) Through Publix Math Night events, local elementary school students have the opportunity to visit their neighborhood Publix to learn how to apply grade level math objectives to the real world. Teachers will be on site to help students! We're hopeful the experience enables students to use the math skills they're learning in the classroom and apply them to the grocery store so that they can make good decisions about food when it comes to budgeting and healthy eating. It is going to be a great evening and we look forward to seeing you there.
 - **Date:** Monday, February 20th
 - **Time:** 6:00-7:00 pm
 - **Location:** Publix- Rogers Rd

Class Dojo Top 5:

1. Ja'Niyah- 16
2. Ryan -15
3. Alice, carmela, & Ayvarrieyah- 14
4. Bella, Brooke, Cali, Camden, Chelsey, Katy- 12
5. Phoenix, Riley, Taylor- 11

Specials:

- Monday- Media
- Tuesday- Art (smocks)
- Wednesday- Music (folder)
- Thursday- P.E. (sneakers)
- Friday- Science

We Will Be Learning:

Reading: We will be reading about social issues and injustices found in stories and articles, noticing the perspectives authors take to explore these issues, making connections between issues, and comparing how different characters deal with problems. We will discuss life lessons they learn while reading.

Writing: We will choose a draft to publish.

Math: We will find equivalent fractions and convert improper and mixed numbers. Test will be Thursday.

Science: Landforms: Earth is constantly changing- quickly and slowly. These changes are caused by weathering, erosion, deposition, and natural disasters.

February Birthdays:

- Taylor- 2/6
- Garret- 2/8
- Jake- 2/21

Important Dates:

- 2/10- Early Release @12:20, Happy @HES
- 2/10- Polar Ice House Spirit Night @5-8pm
- 2/16- PTA meeting @7pm
- 2/20- Publix Math night
- **2/16- February birthday lunch @ 12:05**
moved from 2/23
- 2/23- Tracks1&3 Spring Program @6pm
- 3/2- March birthday lunch @ 12:05
